For many years as a Christian, an evangelist, a pastor, a missionary, a teacher, he has had an incalculable effect upon an uncounted number of people. Because of his positive attitude and contributions in all he undertakes and his personal example as a Christian, member of the Church of God, and Lee College faculty member, the Staff of the Vindagua would like to dedicate this annual to Dr. JAMES L. SLAY, SR.

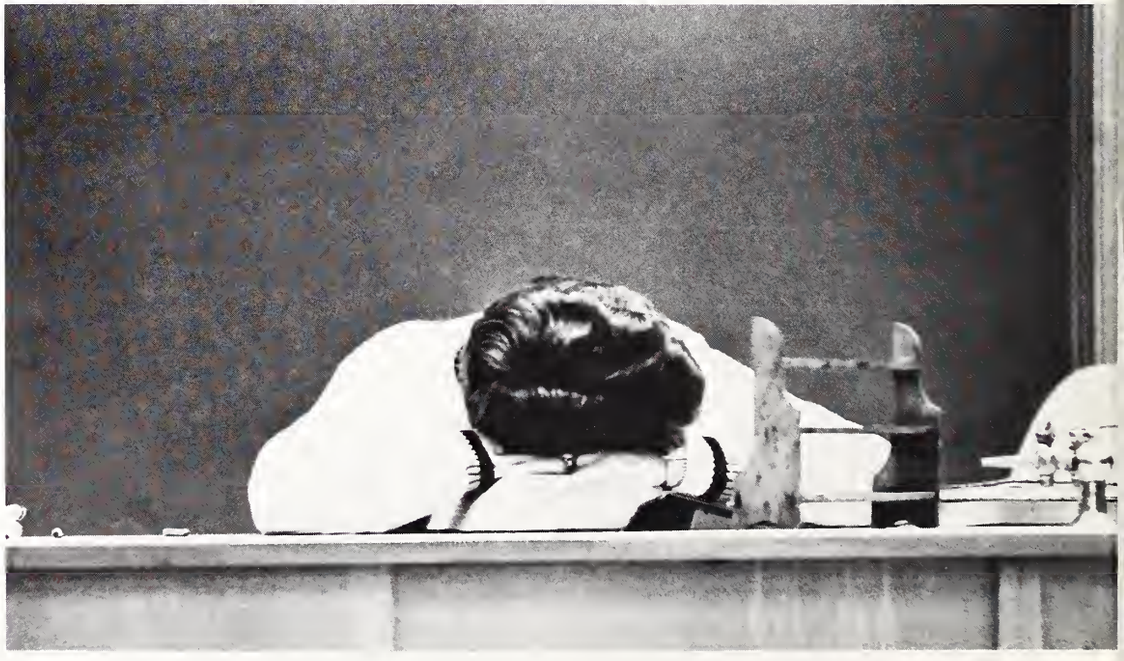
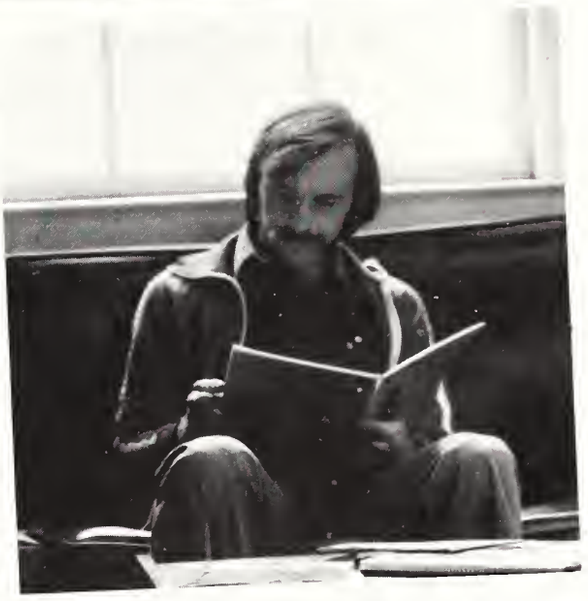
Lee College is not just buildings..

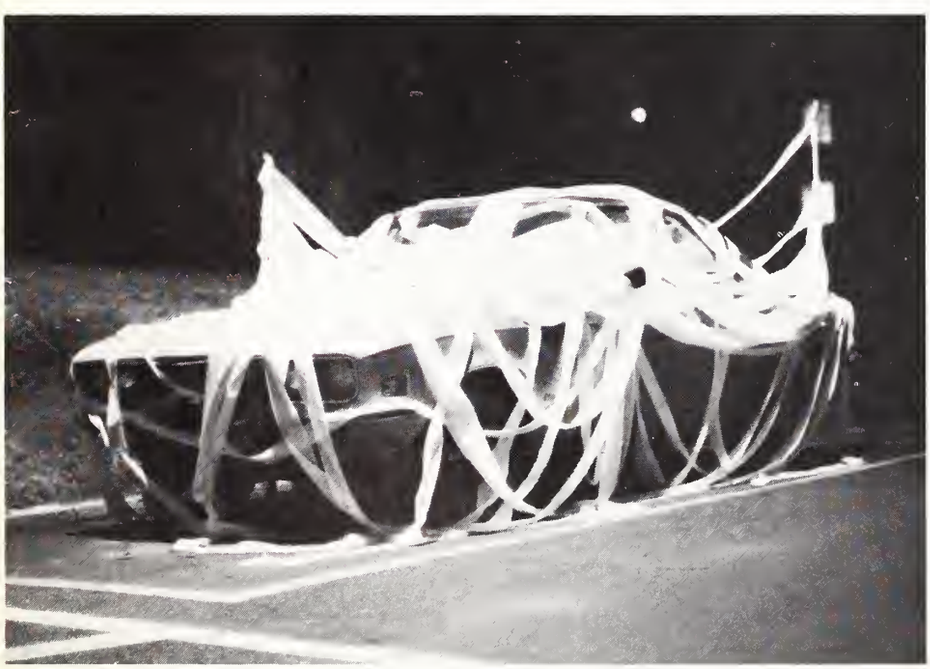
...it is People.

People who study...

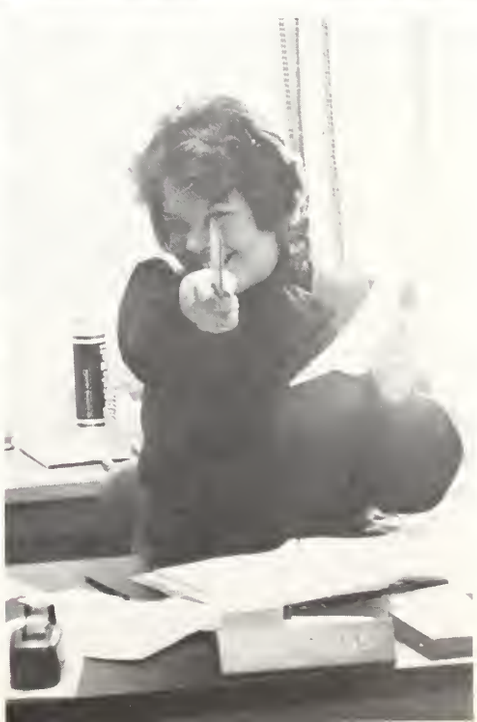




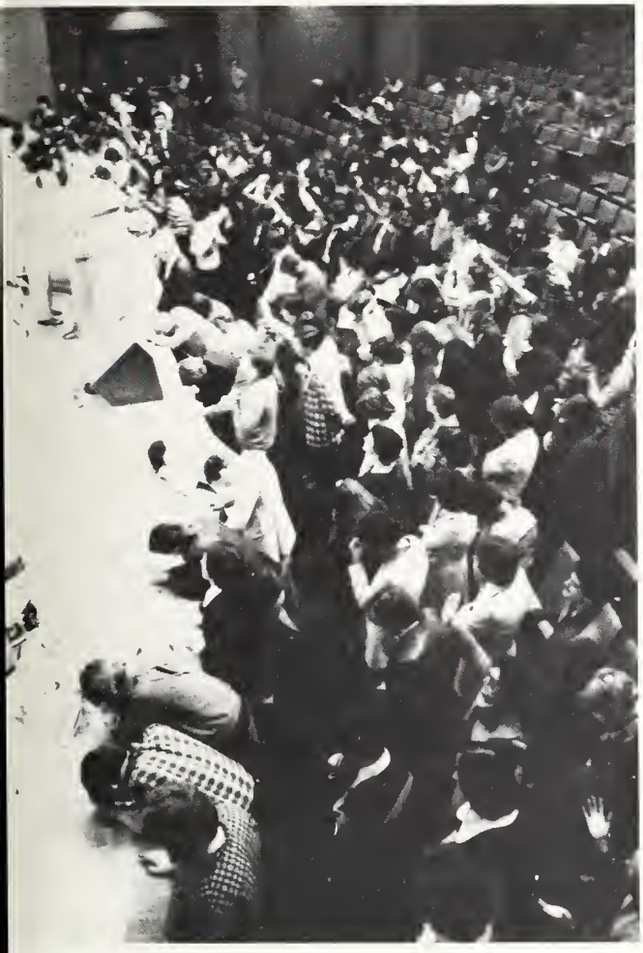
...have fun...



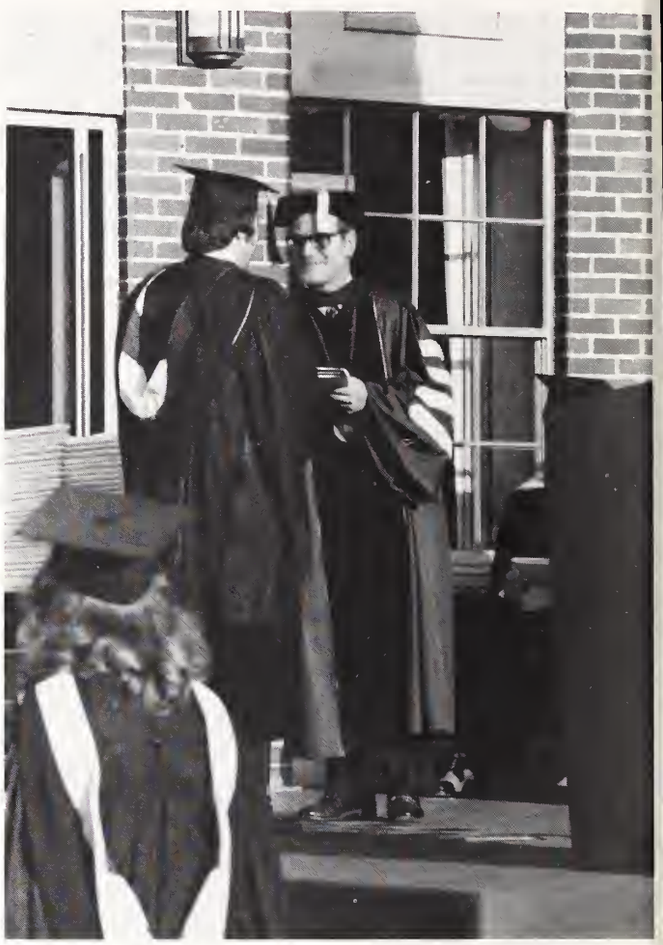
Coke



...worship.



Different People who were



together in pursuit of some personal goal.

People can be extremely unpredictable. They can have fun or not, study or not, or get into trouble or not. And all this they can do alone or not; usually not. In Campus Life we have tried to present the kinds of things Lee Collegians do to relax from study —or perhaps to avoid study.

That which we have seen and heard we proclaim also to you, so that you may have fellowship with us; and our fellowship is with the Father and with His Son Jesus Christ. 1 John 1:3

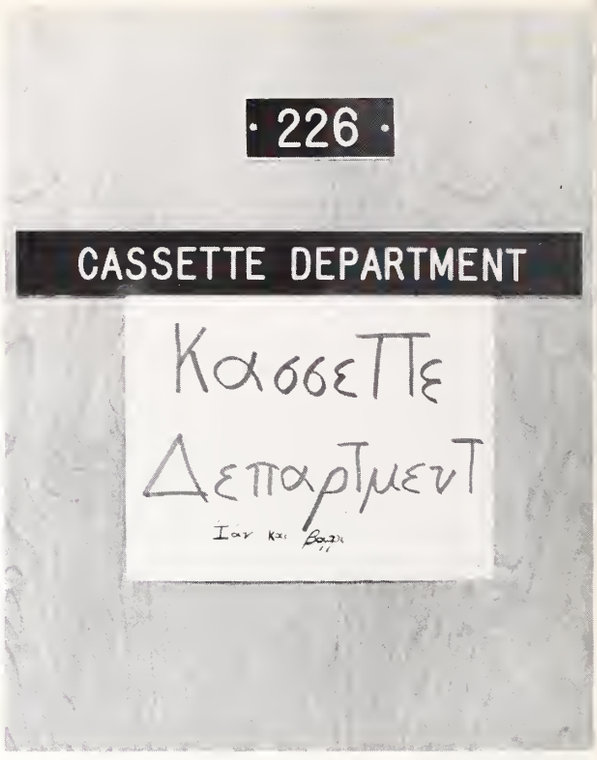
Some close encounters are *too* close.



One of the most basic of human traits is that of "making friends." No matter where we go or what else we do, we "make friends." And no matter how many friends each of us has, we each have our own small group that is special to us. This section is for the groups that Lee College People find special.

A new commandment I give to you, that you love one another; even as I loved you, that you also love one another. By this all men will know that you are my disciples, if you have love for one another. John 13:34, 35

Graduates

S.G.A.

The Student Government Association was very evident at Lee this year. With Terry Cross as president they were the official voice of the students, presenting various ideas and grievances to the administration. With a representative from each floor of each dormitory, and two representatives for those off-campus, Lee College students were able to present their viewpoints through their elected peers. The S.G.A. presented an open-air concert, a campus Christmas Party, they planned and carried out the annual Lee College Day functions and activities and they held the campus wide elections that provided for next year's S.G.A. officers.

Cooperating with the Cleveland chapter of Sertoma International, Collegiate Sertoma successfully undertook a new project in the form of a student book exchange. Also included in the activities was a bike-a-thon, and a red apple sale for the Speech and Hearing Foundation. The year was ended with a banquet and awards presentation.

Alpha Gamma Chi started with their annual Freshman Week, which included a very successful Watermelon Bust, a pie sale, the Freshman Rush party and culminated with their first skating party of the semester, at which Mr. and Miss Freshman were announced. They also participated in the Gong Show, the Monster Mash, Derby Day and ended the semester with another skating party. Second semester, Chi joined with Delta Zeta Tau in sponsoring the Valentines Day Sweetheart Banquet. Alpha Gamma Chi's final venture was an invasion to the Brushy Mountain Prison, where they enjoyed a days' activity with the inmates and then conducted special services that night.

Once again the ladies of Delta Zeta Tau became an active part of the campus. They welcomed the new freshmen and transfer girls to Lee at the Freshman Punch. Halloween set the stage for the Monster Mash, a carnival which involved the entire student body. Delta Zeta Tau participated and won first place in the Derby Day festivities. Being thankful for all that they had, the D.Z.T. ladies collected and delivered food to needy families in the Cleveland area at Thanksgiving. In February they co-sponsored the Valentine's Banquet with the men of A.T.X. They presented a chapel program, participated in M.E.N.C. and visited local rest homes during the school year. One of the most enjoyable activities sponsored by the club was the annual Easter Egg Hunt given for the faculty children.

The ladies of Sigma Nu Sigma enjoyed a very productive and busy year. They had a very successful Freshman Party that featured excellent entertainment. Next on their list was the Gong Show, an event that was enjoyed by all who attended. The Ladies of Sigma also held two pancake bakes in the Student Center. They served as usherettes for chapel services during the first semester, and collected Christmas gifts for the foster children of Cleveland. The annual Sigma Fashion Show was a beautiful and well-presented program this year with the various outfits being modeled by Lee College students. Sigma Nu Sigma closed out their event filled year with a Hawaiian Luau entitled "Blue Hawaii," which they co-sponsored with Upsilon.

Upsilon Xi, the oldest men's social organization on campus, was led ably this year by Jerald Smith the first semester and by Johnny Bunn second semester. Upsilon's annually sponsored Sadie Hawkins chase day and hayride was the start of the social events this year on campus. In a special chapel service, Upsilon paid tribute to Dr. James L. Slay, Sr., retiring Assistant Professor of Psychology. Second semester provided new adventures for Upsilon as they hosted the Hawaiian Luau with Sigma Nu Sigma. Upsilon participated in a variety of other functions including the Gong Show, M.E.N.C., chapel service, Delta Zeta Tau Thanksgiving fruit basket for the needy and a special Christmas offering for a needy family. Upsilon also continued in its annual publication of the *Reflections,* a devotion guide for the convocation week.

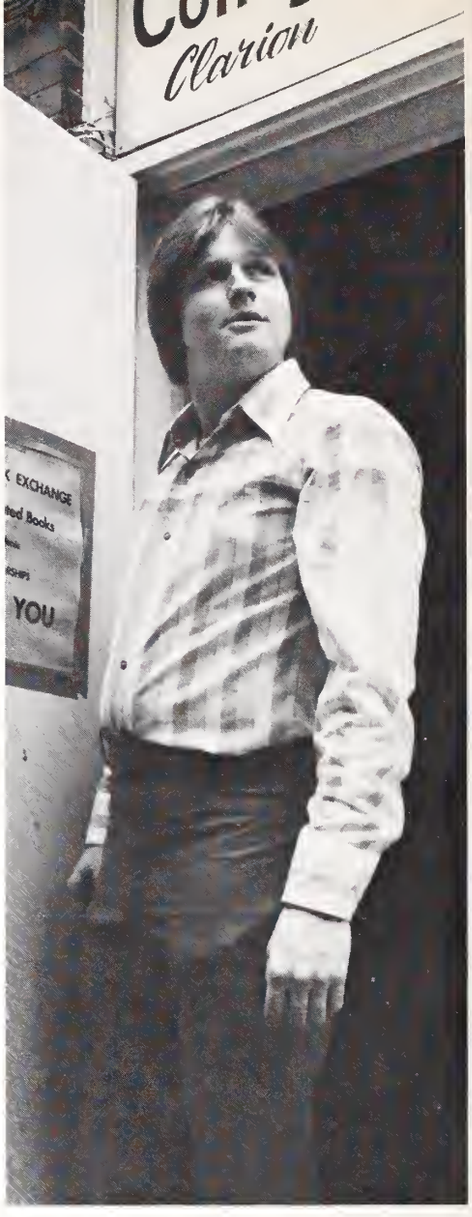
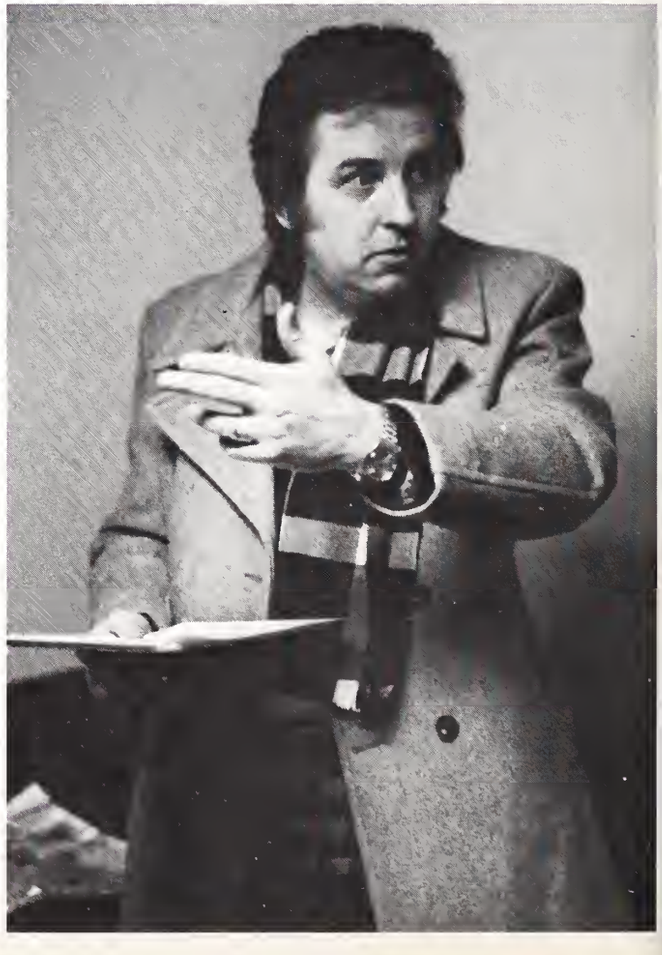
Clarion

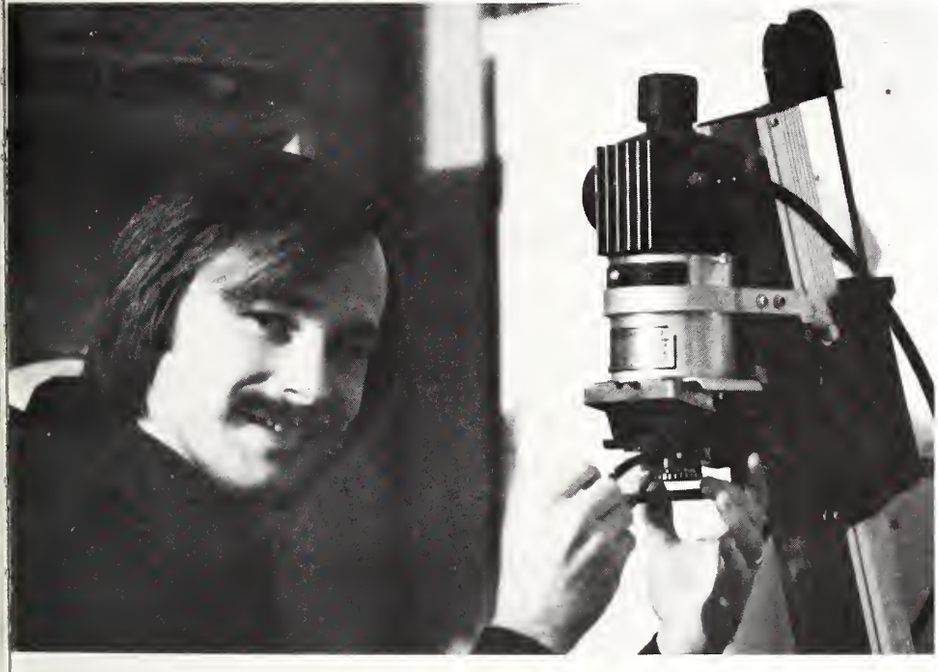


The CLARION is the official newspaper of Lee College. It is published periodically to inform the student body on matters of community concern.

The paper was under the guidance of two Editors this year. Beginning in September until shortly after the second semester began, Jim Hull was in charge. After his departure, Bill Henning assumed the position and succeeded in putting out two outstanding papers. Though there was a change in the editorial style, the goal of informing the student body remained the same and was met.

Throughout the joint terms of these two Editors, Mr. G. A. Swanson served as faculty advisor.





The task of publishing the 1978 Vindagua fell to a staff with little real experience in the publications field. Only the Editor, David Rathbone, and the Director of Photography, Steve Rathbone, had worked with the Lee College annual before.

Before a staff can begin to "put-together" their respective sections, they must be supplied with the photographic material. This is the job of the Photographic Department. Under the direction of Steve Rathbone, Ed Anderson, Marlon Rampy, and a few other contributing photographers this material grew.

Vindagua Staff

From this large amount of photographs, it was the job of the Section Editors to discard and refine until they had the number they needed for the effect they wanted.

It doesn't matter whether the People at Lee College are involved in any other activity or not, they become involved in sports. In some way, either as a participant or an observer, they are interested in what happened, when, and how on the court, field, or diamond. Collected in these pages is some evidence of this phenomenon.

> Do you not know that in a race all the runners compete, but only one receives the prize? So run that you may obtain it. Every athlete exercises self-control in all things. They do it to receive a perishable wreath, but we an imperishable. Well, I do not run aimlessly, I do not box as one beating the air; but I pommel my body and subdue it, lest after preaching to others I myself should be disqualified.

Viking Basketball

The Lee Vikings almost brought it home this season. The Vikings took it all the way to the N.C.C.A.A. semi-finals, but an 84-66 loss to Biola (Bible Institute of Los Angeles) out of California, on March 17, 1978, halted all our chances for the 1977-78 national championship title. In the consolation game against Northwest Nazarene, on the night of the national finals, the Vikings took the third place slot among national Christian colleges with a 97-92 victory. Having brought the season to a halt with a 20-14 record, coach Earl Rowan, his assistant coach, Larry Carpenter, and the team are to be congratulated by all.

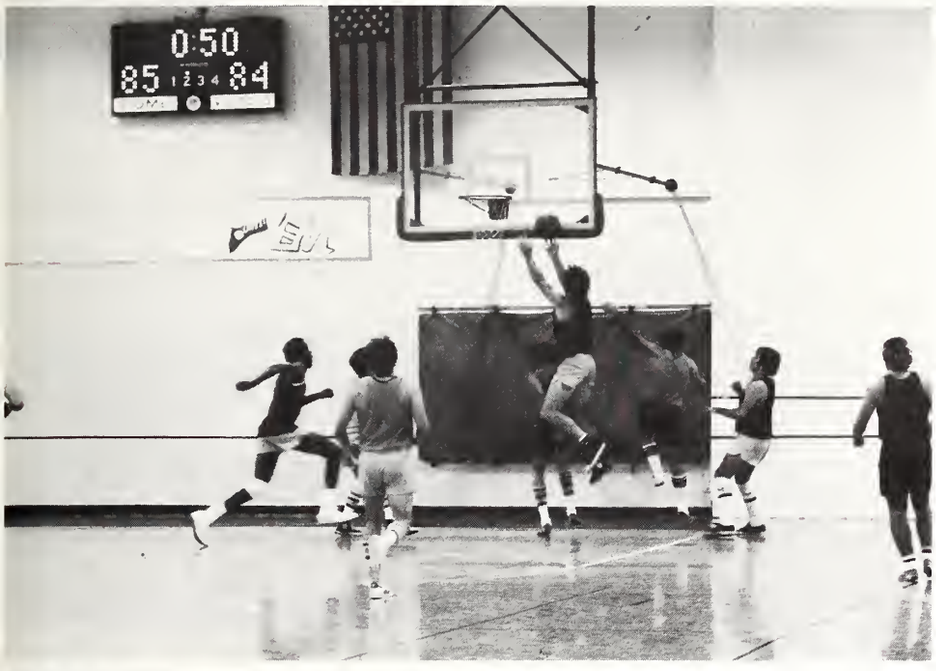
The 1977-78 Viking Cheerleaders, under the leadership of Renee Holman, captain, and Pat Dunn, co-captain, played a vital role in Viking victories this season.

Viking Cheerleaders

M.C.A.A.

The Mens Christian Athletic Association provides a variety of outlets for Lee's restless young males. Throughout the year intramural director Ken Walston stayed very busy. From football in the Fall, to softball in the Spring, the year was full of athletic excitement on the Lee College campus.



Intramural Football

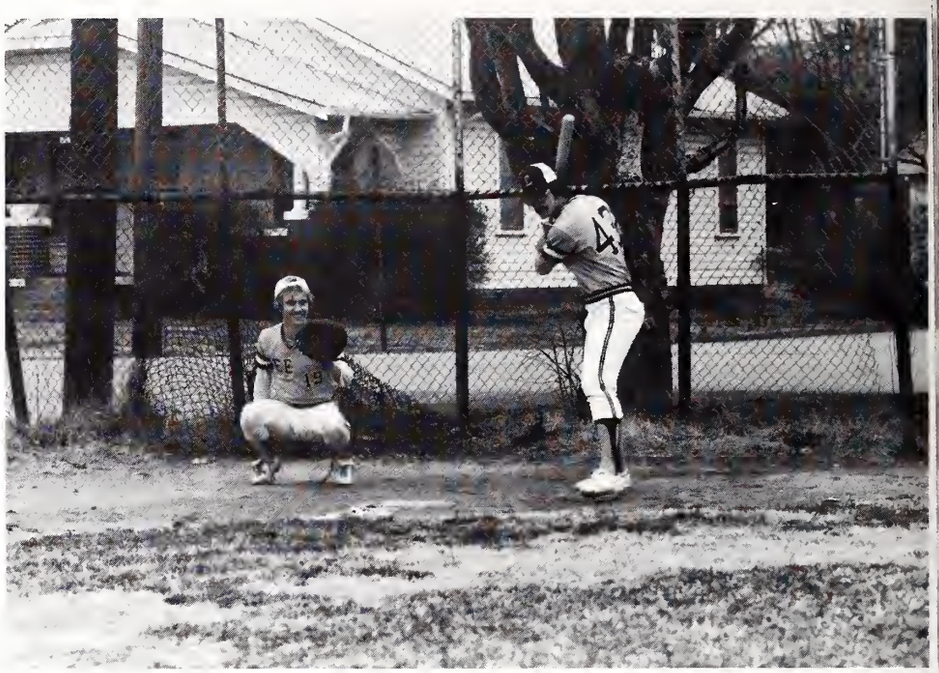
Alabama went undefeated this year until the playoff finals. All of a sudden some "Bad News" came their way. Yes indeed, the "TIDE" was turned. Tommy Madden, a "Bad News" team member, received the most valuable player award for the second consecutive year. Dave King's ability to drive through the defense and gain needed yardage, brought him the back of the year award. Linemen never receive any glory. Well this season things were different. The blocking efforts of Steve Ball and Tim Bost brought about a tie between these two powerhouses for lineman of the year award. A first in Lee College intramural football history.

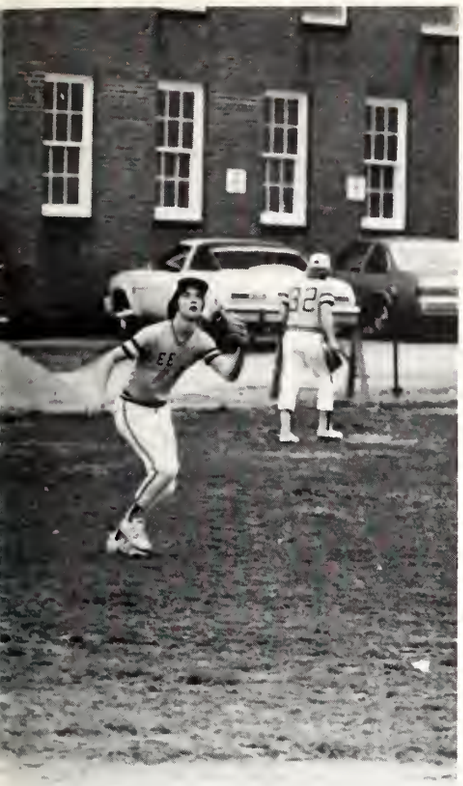
Intramural Basketball

Intramurals have a big part to play in life at Lee from the very beginning of the year. The Fall 1977 semester of Lee College was kicked off by a pre-season basketball tournament. It's the players choice; either win or lose. Undefeated was the name of the game for the "Sixers" in this year's pre-season action. Those guys just wouldn't give up! The tournament really climaxed when the "Sixers" defeated the faculty for the championship title. Sam Wills received the most valuable player award.

In Season play was dominated by the "Facers." Tommy Madden and Bill Brown tied for the most valuable player award. Joe Mango was very much involved in the post season action. Agility and precision won Joe the most valuable player award in the tournament.

Viking Baseball

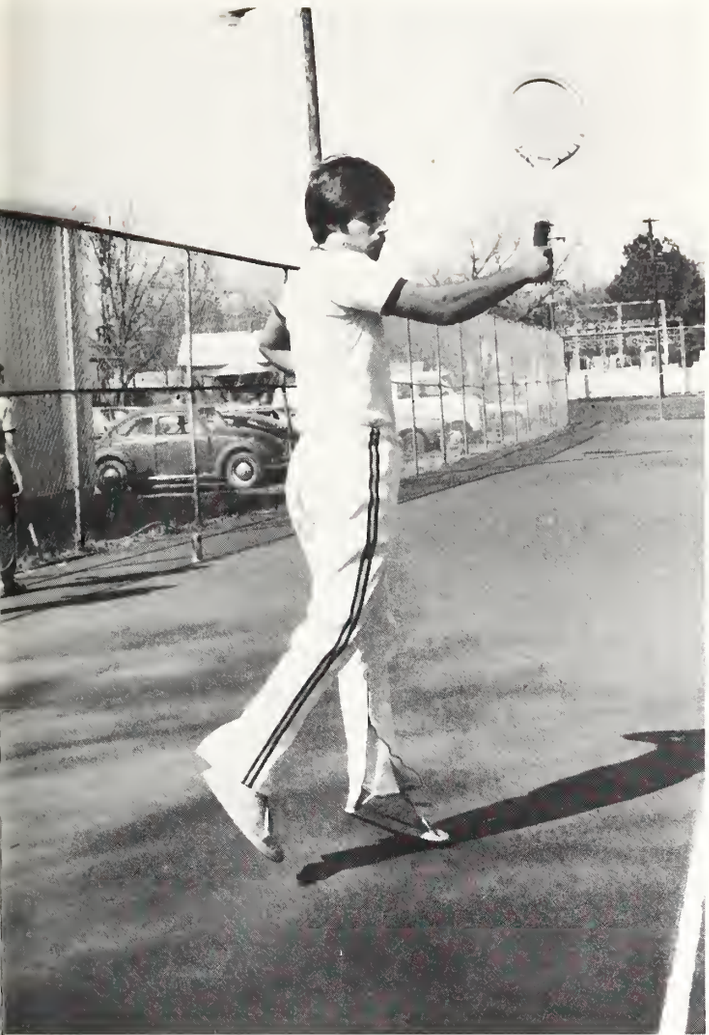




The baseball diamond is an exciting place to be. When the Lee College Vikings are playing it becomes even more exciting. For the spectator, the heat doesn't seem to be a bother any longer; the hardness of the bleachers is momentarily forgotten. This year the Vikings beat the heat and performed exceptionally well under the leadership of coach Earl Rowan and his assistant David McClain.

Viking Tennis

After a somewhat prolonged winter, the Lee College tennis team hit the court with full force at the first sign of spring. We are behoved to commend the team for their outstanding efforts and genuine display of sportsmanship.



W.C.A.A.

Powder puff? Not hardly! These ladies mean business. Normally when one thinks of ladies intramural sports not much interest is aroused. This is not so at Lee College. We have some of the finest women athletes around. This was proven by the excitement the Women's Christian Athletic Association generated this year on the Lee College campus. In intramural football this season, "Camp Granada" placed first. Donja Royal took home the most valuable player trophy for the second consecutive year.

All People who come to Lee College come, at sometime or another, with the intention of doing well. Unfortunately, this goal seems to fade away for all but a few; all do not do as well as planned. The People in this portion of this book are those who kept that goal; they have done well.

For this very reason make every effort to supplement your faith with virtue, and virtue with knowledge, and knowledge with self-control, and self-control with steadfastness, and steadfastness with godliness, and godliness with brotherly affection, and brotherly affection with love. For if these things are yours and abound, they keep you from being ineffective or unfruitful in the knowledge of our Lord Jesus Christ. 2 Peter 1:5, 6, 7, 8

The continuing duty of the believer is to develop his Christian character. Pi Delta Omicron accurately believes that through the promotion of academic excellence, cultivation of responsibility, and the fosterage of brotherly fellowship, this duty can be realized. The Greek letters represent the words "pastor, teacher, and steward." Every Christian is characterized by at least one of these titles and, therefore, should have a fuller understanding of the lofty ideals which Christ has directed him to strive for.

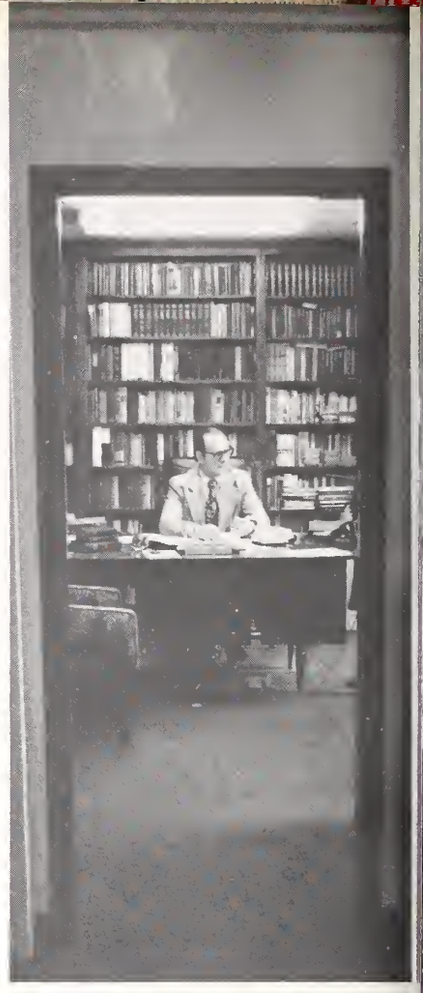
Induction of members is based upon the students maintaining a 3.0 average and also being in the top ten percent of the college's enrollment. Finally the student must be recommended by 100% of the faculty.

People. People who instruct us, teach us, guide us, point the way for us. People who make the school work. People whose effects last long after the contact is broken. People who leave an intellectual, physical, or spiritual change in us. This section is for such People.

> And His gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers to equip the saints for the work of the ministry, for building up the body of Christ. Ephesians 4:11, 12

Shirley Jones
Academics Editor

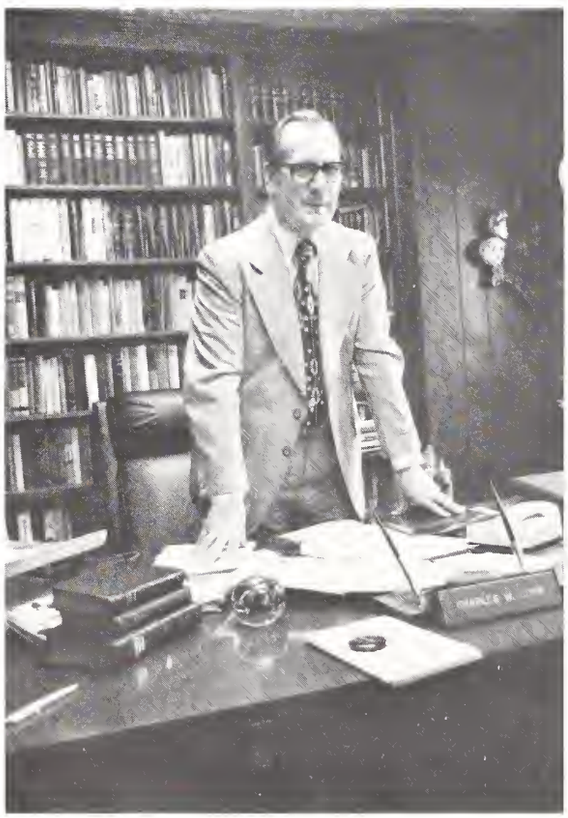
Academics

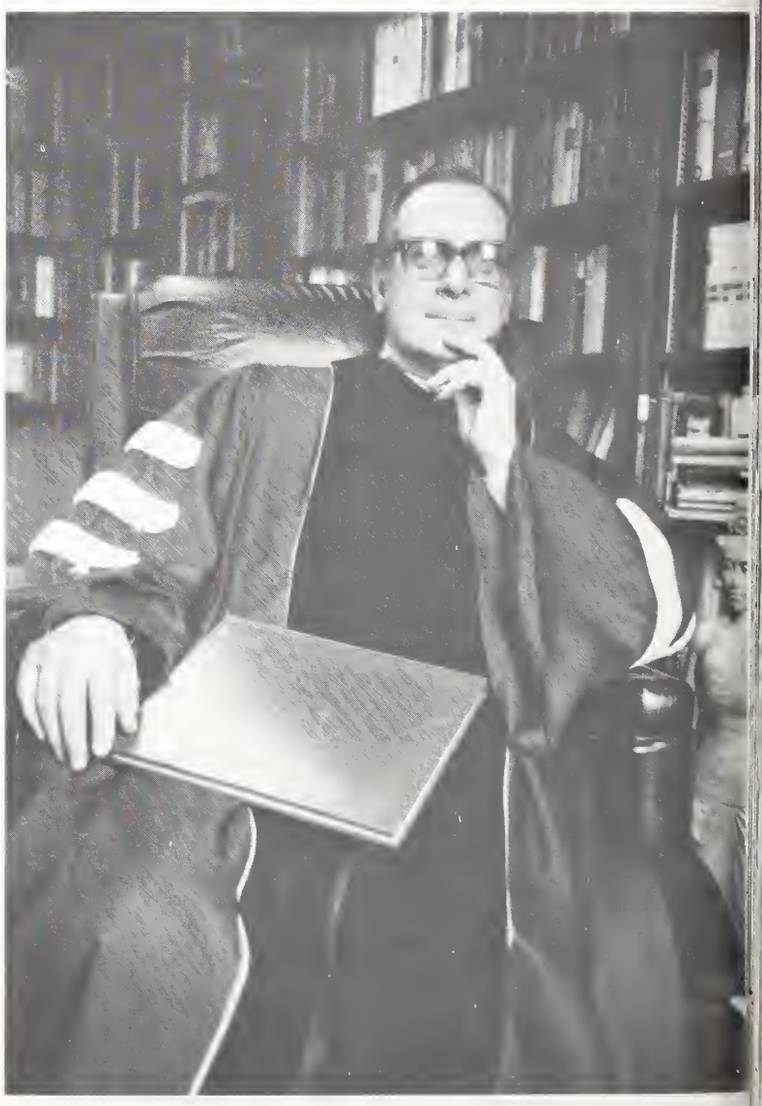


In his eighth year as president, Dr. Conn holds a position uniquely suited to him. As the top administrator, he is responsible for the academic strength of the faculty and the financial well-being of the college itself. This he has done.

As a writer and the official Historian of the Church of God, he has knowledge of what is needed in an instructor. He also knows the intellectual needs of the student body. This part of his job is constantly being attended to. This does not mean the well-being of the college is being overlooked; his project of increasing the Endowment Fund to five million dollars speaks very plainly for itself.

With the words "I would rather be at Lee College than anywhere else," it is apparent where the heart of Charles W. Conn lies.





President Charles W. Conn

Board of Directors

The Lee College Board of Directors meets quarterly on the Lee campus to make policy and direct the progress of the school. The Board is elected biennially by the Executive Committee of the Church of God, and has the responsibility of nominating the president, administrative officers, and faculty members of the college.

Chairman of the Board of Directors is Rev. Ralph E. Williams—pastor, Pompano Beach, Florida, Church of God. Reverend Williams has a record of distinguished leadership in the Church of God, and has served on the Executive Committee of the denomination.

Other Board members include H. W. Babb, Paul L. Walker, Clifford V. Bridges, Elton Chalk, Robert E. Daugherty, Fred P. Hamilton, Bill Higginbotham, E. C. Thomas, Richard L. Tyler, Jr., Cleo Watts.

Vice-President and Dean

Dr. Delton L. Alford, Dean of the College, served his first term as Vice-President of the College during the 1977-78 school year.

In these positions, Dr. Alford directs the academic process at the school. He chairs the Academic Council, and the Curriculum Committee. In addition, he works with individual faculty members to produce and maintain the necessary academic program.

There is division among the students at Lee College; it is called class. This division is not social but educational. Seniors, Juniors, Sophomores, Freshmen. Classes. The People on the following pages are of these groups which form that one group called "The Student Body." They are as varied as they are many; each is unique. Each came for a purpose. We can only show who the People are, it is up to you to find why they came.

For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ. For by one Spirit we are all baptized into one body—Jews or Greeks, bond or free—and all were made to drink of one Spirit. . . . As it is there are many parts yet one body. 1 Corinthians 12:12, 13, 20

A two fisted eater?

Even though we don't realize the true extent, Lee College both has and receives some very talented People. We have had as guests, People who are internationally recognized for their abilities in their own areas of endeavor; and right here we have People that have traveled throughout the United States and around the world using their talents to give God glory. This section is a new one designed to show the People at Lee College, the People who came to visit, and the events in which these People participated.

> As each has received a gift, employ it for one another, as good stewards of God's varied grace: whoever speaks, as one who utters oracles of God; whoever renders service, as one who renders it by the strength which God supplies; in order that in everything God may be glorified through Jesus Christ. To Him belong glory and dominion for ever and ever. Amen. 1 Peter 4:10, 11

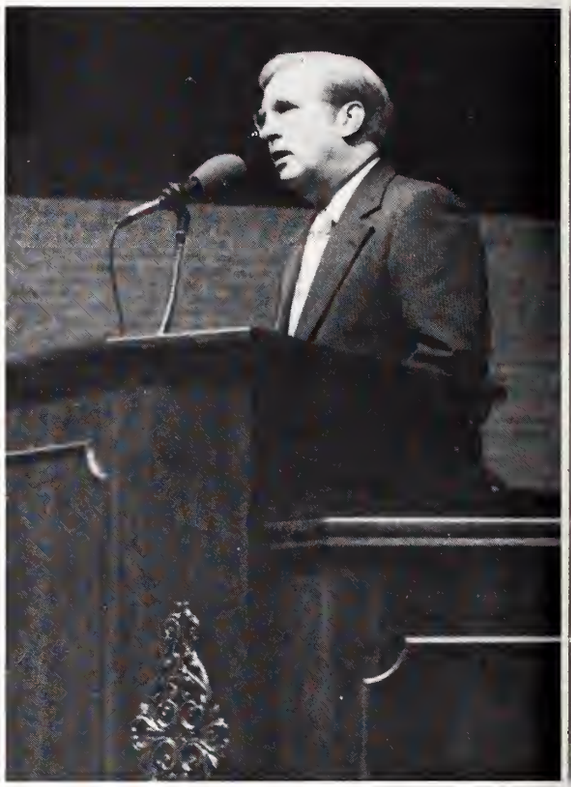
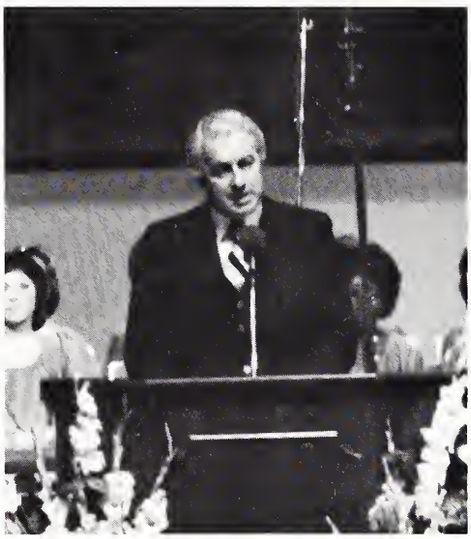
Dedication of New Auditorium

The service of Dedication included the Dedicatory Address, the Litany of Dedication, and the Act of Dedication, in which the new auditorium was dedicated to the work of the Lord. Addressing the congregation during the program were Dr. Cecil B. Knight, General Overseer of the Church of God, and Dr. T. L. Lowery, Third Assistant General Overseer.





Dr. Floyd J. Timmerman, General Secretary-Treasurer of the Church of God, and Rev. Paul Henson, Overseer of North Georgia, were the distinguished ministers conducting the services for the Fall Convocation held October 9-13, 1977.

Fall Convocation

Greater Is He

Doug Oldham, Donny and Joy McGuire, and the Lee Singers and Orchestra, conducted by Delton Alford, presented an exciting premiere performance of a new Christian musical, "Greater Is He," a joyful affirmation of His Greatness.

The Chattanooga Symphony Orchestra, under the direction of Richard Cormier, and the Metropolitan Opera star, Anna Moffo, presented a concert of popular favorites from their symphonic and operatic repertoire.

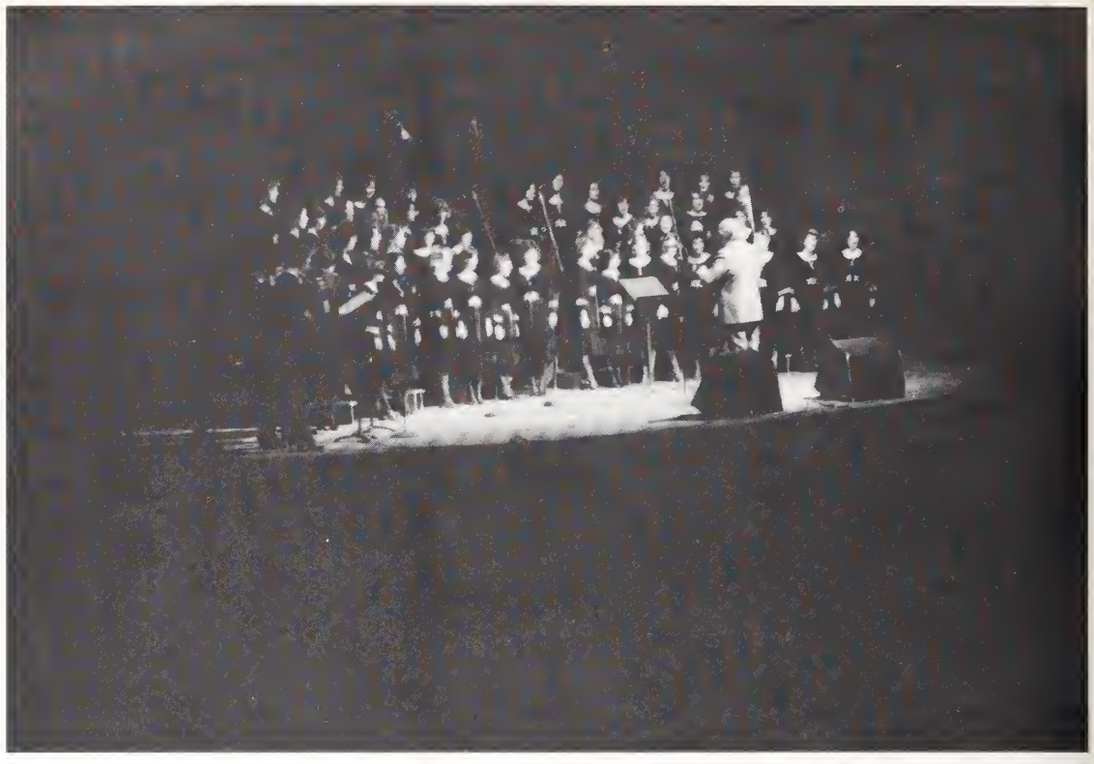
College/Community Rally--
Dr. Norman Vincent Peale

One of the most noted men in the Christian world, Dr. Peale, Minister of Marble Collegiate Church, New York City, was brought to our campus for the second College/Community Rally. His appearance was considered by many to be a highpoint of this College's fall schedule.

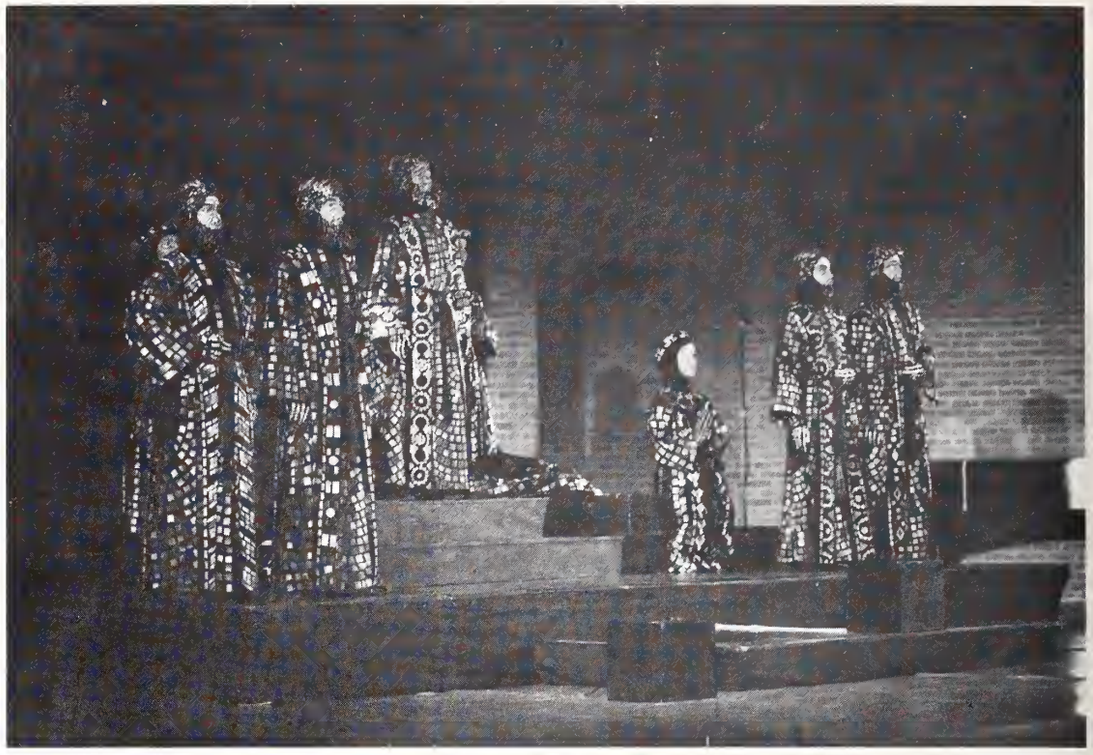


A celebration of praise and thanksgiving featured the music of the Lee Singers, the Singers-II Edition, the Lee College Band, the Ladies of Lee, and numerous special performers. This annual musical event provided an opportunity to join in heartfelt praise to Him.

Fall Music Festival

Kaleidoscope

The varied colors of sacred music presented renowned musicians from the field of gospel music. Host for the evening was Vep Ellis, formerly with the Oral Roberts Association and is presently Pastor of Harvest Temple Church of God, Largo, Fla. Joining Rev. Ellis was his son, Richard Ellis, the Cornut Family of Alabama, and the original Singers Three Trio.



In this program, presented by the Everyman Players, the actors appeared as living mosaics, ageless figures in brilliant costumes of red, gold, blue, and purple. They were part of a unique drama of faith, an ancient poem celebrated in song, speech, chant, and chorus in timeless ritual.

The Book of Job

Ramona Hutton

Miss Hutton was one of several Guest Artists which visited the campus this year. Providing her own accompaniment, she sang several numbers in her repertoire which gave thanks and praise to God.

Campus Choir

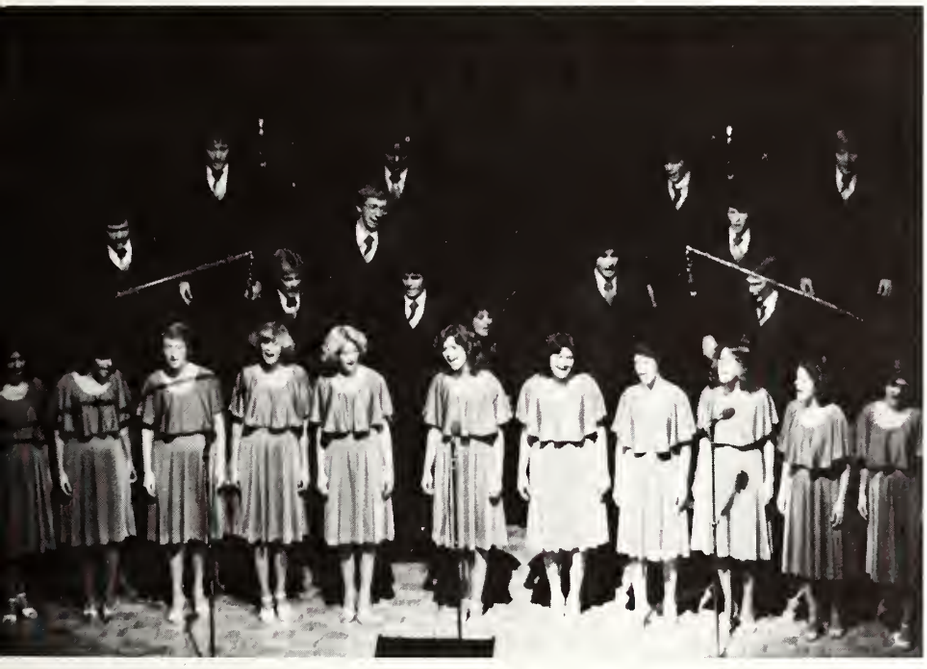
One of the largest organizations on campus, it is the biggest choir, the Campus Choir each semester presents its own musical program as well as participation in various other programs. The first semester of this year they presented "Celebrate Life." This Christian dramatic-musical presents a glimpse into the teachings, death, and resurrection of Jesus Christ. For the first time, a Guest Artist was included in the program. The guest this year was Dannibelle of Andre Crouch and the Disciples.

Homecomming Queen

Lynn Golden

Afte̊r popular election by the student body, Miss Lynn Golden was named as the Homecoming Queen for 1977. Miss Golden is a sophomore from Knoxville, Tennessee, and is currently studying Music Education.

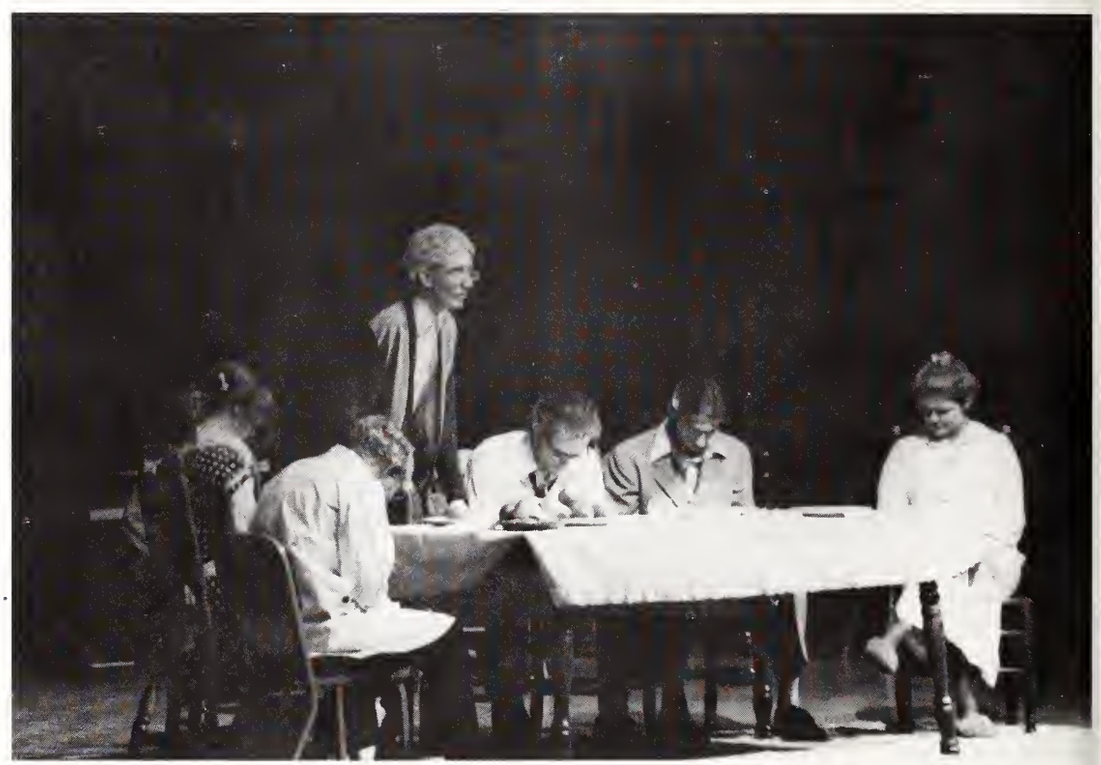
Lee Singers



The Lee Singers have maintained their high quality of performance throughout this year. They made several tours across the country, performed with the Chattanooga Symphony Orchestra, and participated in the series of Dedicatory Events for the new auditorium.

The highlight of the year was the premiere of the musical "Greater is He." The Lee Singers, along with Doug Oldham, and Donny and Joy McGuire performed this new Christian musical with excellence.

"You Can't Take It With You"



The Forensic Club helps to create interest and develop talent through drama, speech, debate, and various other programs of interest.

This year the major project was "You Can't Take It With You," a comedy in two acts by Moss Hart.

1978 Parade of Favorites

For the sixteenth consecutive year, the Vindagua has brought the Parade of Favorites to the Lee College campus. Drawing on the talent of the twelve contestants, the band musicians, and the dignity of the escorts, this year's program became one of the best yet.

The Band

The Lee College Band provides music majors and other interested students with the opportunity to participate in the musical programs sponsored by or at Lee College. This year, under the direction of Jerry Long, the band has performed in programs ranging from worship to "Fiddler on the Roof," showing a great versatility.

The Ladies of Lee achieved another successful year of their unique style of ministry in song, under the direction of Roosevelt Miller. They have made tours throughout the greater South, including Georgia, Alabama, Missouri, Tennessee, and Florida. Recently, they have recorded their latest album, "His Name Is Jesus."

"Shalom," a small segment within Ladies contributed their own special style of music through worship.

Fiddler on the Roof

In February of this year, a fiddler came to Lee. The Opera Workshop, Campus Choir, the Lee Band, and other individual members of the student body, all under the sponsorship of the Music and Fine Arts Department, produced "Fiddler on the Roof." Produced by Jim Burns and Directed by Glenda Nicholson, this program was the culmination of several intense weeks of work. It showed. This was an excellent performance.

TURN ON THE LIGHT

In a world of despair, there is hope. Through the Department of World Missions, the Church of God is turning on the light of the Full Gospel around the globe. In a milieu of misery and suffering, dedicated missionaries are lifting up Jesus Christ as the only cure for the ills of a sick, dark world. God has called all of us and destiny has placed on each of us the awesome responsibility of sharing Jesus with the whole world.

Remember, what God calls us to do, He enables us to do. Altogether now, let's turn on the light! Pass it on.

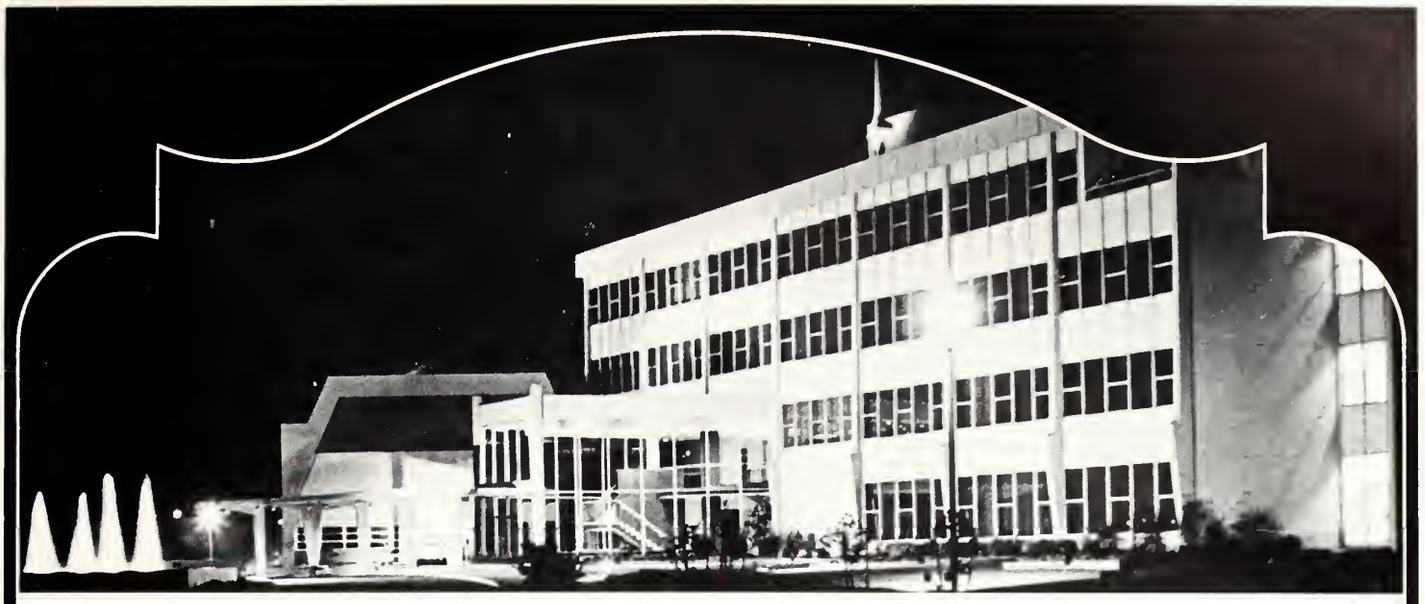
"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." 2 Timothy 2:15



CONGRATULATIONS

The injunction of the Apostle Paul to young Timothy to "study to shew thyself approved unto God, a workman that needeth not to be ashamed" (2 Timothy 2:15), applies particularly to students graduating from Church of God Schools. You are "workmen" or "God's helpers", whatever your vocation, and you need not be ashamed for you have applied yourself to studies sufficient for graduation.

It is with sincere admiration and with high regard that the Executive Committee of the Church of God extends congratulations and felicitations to the graduates. We earnestly pray that each recipient of a diploma or a degree will accept the marvelous fact that he is the "workmanship, created in Christ Jesus unto good works" (Ephesians 2:10).

Because of many young persons like you, the Church of God can face the future with confidence knowing that it has technically trained and spiritually dedicated representatives in the arts, sciences and Christian ministries around the world.

The People at Lee College make friendships that last for years. Here we have the Addresses of these friends. It is sometimes surprising what a letter will do for a friendship.

I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, thankful for your partnership in the gospel from the first day until now. And I am sure that he who began a good work in you will bring it to completion at the day of Jesus Christ.

A closing note,

The purpose behind this annual is to convey, in word and picture, the "feel" of this year.

We, the staff, have spent many months dreaming and developing ideas so that sometime in the future, you will be able to open this book and, from these few pages, relive countless memories.

We want you to see, feel, and remember, if only as long as it takes to turn a page, the different aspects of our school; to see through the unmerciful lens of the camera, the many People who influence your dreams and encourage your ambitions.

We tried to express what we hope each student feels about his school days that are worth remembering. We also tried to incorporate an atmosphere of unity.

We hope that the Vindagua 1978 will provide the source for many memories of friends and times. We feel we have served our purpose if we have captured, if only a few moments, the memory of friends at Lee; the People.
